

6 Questions You Must Answer Yes!!

1. Are you trying to get more customers this year than last year?
2. Can you currently accommodate a 25-50% higher closing and approval ratio?
3. Do you have the personnel to accommodate 25% more customer traffic? 50%, 100%, 150%
4. Are you willing to do what it takes within reason, to draw a different and larger customer base?
5. Are you willing to innovate and implement strategies that totally and completely differentiate your business from your competition?
6. Do you, or are you, willing to advertise locally in addition to word of mouth advertising?

If you answered No to any of the above 6 Questions, you don't need and can't successfully use our products. Thank you and the Best of Success with your business.

However, if you answered Yes to the above 6 questions than,
